	Characteristic of a strong manuscript	In addition to adhering to the Media Clip Specifications and the General and Specific Manuscript Specifications, Commentaries should be brief, factual and evidence-based. They should not be character assassinations or emotional in nature. Commentaries should be analyzing an article or expressing an opinion about the article that is of interest to CJNS readers.
	What We Look For	At the discretion of the Editorial Coordinator and the Editor-in-Chief.
	Conflict of Interest Guidelines	Apply
	Fee to Submit	None
	Review Goal:	The goal of the CJNS is to work collaboratively with authors to publish Manuscripts in a timely manner. Manuscripts are to be published within 6-8 months of receiving final revisions from the author.
	Posting to CJNS Online	The goal of the CJNS is to post CJNS online for the 1 st of the month, in January, March, May, July, September and November. Should your article not be posted on CJNS online after the 1 st , please contact support@metapress.com .
Posting to PubMed	<p>Once a CJNS Issue and/or Supplement is posted within the CJNS online Journal, notification is provided to PubMed through Metapress. This notification may take up to one week from a Journal Issue or Supplement being uploaded to the CJNS online Journal. Upon receipt of notification, PubMed may take up to 72 hours to post Journal issues online. The goal is to have articles posted by the 15th of the month, in January, March, May, July, September and November.</p> <p>As PubMed is an organization outside of the CJNS, we do not have influence on how and when they post articles within their database. Should you have concerns, please contact NLM Customer Service directly at custserv@nlm.nih.gov.</p>
