

2011 -2012 Board Committees Clinical Practice Guidelines

Board Committees

The Board may appoint special committees to carry out any designated duties and delegate to these committees such duties and powers as it deems to be in the interests of the Federation. Two of these main committees are the Professional Development Committee and the Scientific Program Committee.

Clinical Practice Guidelines Committee (CGPC)

The purpose of the Clinical Practice Guidelines Committee is to encourage and support the development and implementation of best-practice guidelines by other groups such the Affiliate Societies and, if requested, to consider the endorsement of these guidelines.
