

Canadian Society of Clinical Neurophysiologists

2012 Canadian Examinations Electromyography (EMG)

To assure and maintain a high standard of competence in clinical electroencephalography and electromyography across Canada, the Canadian Society of Clinical Neurophysiologists (CSCN) conducts an annual examination in EEG and EMG and related subjects for those eligible physicians entering EEG or EMG practice who elect to take it. Successful candidates will be given a certificate by the CSCN and will automatically be eligible for Active membership in the Society. The Provincial Licensing Bodies and the Royal College of Physicians and Surgeons of Canada have been informed of this examination and of the objective of the CSCN to maintain high standards in the practice of Clinical Neurophysiology in Canada.

EMG

Date: June 9, 2012
Venue: Ottawa, Ontario
Deadline for Application: February 1, 2012
Application Fee/Examination Fee: \$800

ELIGIBILITY: Candidates shall have a FRCP(C), Specialty certificate from Quebec or equivalent in the Specialties of Neurology, Physical Medicine and Rehabilitation, Pediatric Neurology or Neurosurgery, and a minimum of six months training in Electromyography. The Society offers the examination in both official languages.

Although a candidate may take the EMG examination in the calendar year in which he/she takes the specialty examination, certification in EMG will not be granted until the CSCN is provided with evidence of successful completion of both examinations.

FORMAT: Written Exam, OSCE (stations) and waveform analysis.
