Pediatric Neurologist (1.0 FTE)
Dalhousie University & IWK Health Centre
Halifax, Nova Scotia

The Division of Neurology, in the Department of Pediatrics at Dalhousie University and the IWK Health Centre, invite applications for a full-time (1.0 FTE) academic position as a Pediatric Neurologist with EEG certification at the Assistant, Associate or Full Professor level. This individual will join a team of 4 neurologists. The academic physician will primarily provide clinical service across the full spectrum of pediatric neurology, including interpretation and reporting routine EEGs and Epilepsy monitoring unit data.

The successful candidate will also be expected to participate in research and/or teaching activities in an academic environment; a developed interest in either would be considered an asset. The successful candidate will be expected to participate in the on-call coverage for general pediatric neurology.

The applicant must have an MD or equivalent, and be board certified in Pediatric Neurology (Canadian FRCPC or eligibility), and be eligible for licensure in the Province of Nova Scotia. The successful candidate will also have, or be prepared to acquire, a certificate in Electroencephalography.

Interested candidates should submit a current CV as well as send a statement outlining their academic and research interests. A complete application also includes a completed Self-Identification Questionnaire, which is available at http://www.dal.ca/becounted/selfid. Candidates should also arrange to have three letters of reference sent under separate cover to the Chair of the Search Committee. At least two of these references must come from academic referees.

Dalhousie University and the IWK Health Centre are located in Halifax, a cosmopolitan port city and the capital of Nova Scotia. Halifax is alive with culture and heritage and embraced by the Atlantic Ocean.

Applications for this position will be accepted until September 25, 2017
