The University of British Columbia and Vancouver Coastal Health

**Academic Neurosurgeons**

The University of British Columbia and Vancouver Coastal Health invite applications for academic neurosurgeons to join the Division of Neurosurgery at Vancouver General Hospital, with a Clinical Faculty appointment in the UBC Department of Surgery. The individuals we seek will hold advanced training and skills in at least one of the following areas: skull base surgery, functional neurosurgery, epilepsy surgery, and neuro-oncology. The successful candidates must hold certification in Neurosurgery from the Royal College of Physicians and Surgeons of Canada and be eligible for licensure by the BC College of Physicians and Surgeons.

Applicants should demonstrate a commitment to excellence in neurosurgery training, clinical service and scholarship.

Remuneration and rank as a member of the Clinical Faculty are commensurate with qualifications and experience.

A detailed CV, letter of interest, and names of 3 referees should be sent to:

**DR. GARY J. REDEKOP MD, MSc, FRCSC**
C. N. Woodward Chair
Head, Department of Surgery
The University of British Columbia and Vancouver General Hospital
11151-2775 Laurel Street
Vancouver, BC
V5Z 1M9

or via email to: gary.redekop@vch.ca

Applications will be accepted until the position is filled. Learn more about us at:

UBC and Vancouver Coastal Health hire on the basis of merit and are committed to employment equity. We encourage all qualified persons to apply. We strive for diversity within our community and especially welcome applications from visible minority group members, women, Aboriginal persons, persons with disabilities, persons of any sexual orientation or gender identity, and others who may contribute to the further diversification of ideas. Citizens and permanent residents of Canada will be given priority.
