

## **PHYSICIAN, SECTION OF NEUROLOGY**

**The Department of Internal Medicine**

**Rady Faculty of Health Sciences**

**University of Manitoba**

**MSAS number: 2818, 2817**

**Position start date: January 1, 2021**

**Closing date: Open Until Filled**

Shared Health Manitoba and the Department of Internal Medicine, Max Rady College of Medicine, Rady Faculty of Health Sciences, University of Manitoba invite applications for a physician in the Section of Neurology. General Neurologists, or those with sub-specialty training in areas such as epilepsy, multiple sclerosis, and stroke, are encouraged to apply.

The successful recruit will have, within the University of Manitoba's Section of Neurology, an academic appointment, with responsibilities of teaching and mentoring. The academic rank is dependent on the candidate's current academic experience. The section is one of 17 in the Department of Internal Medicine and has substantial resources within the health system, primarily at two academic health centres and one community-based hospital. The 28 faculty members form a section that includes a highly productive and internationally renowned Multiple Sclerosis research group and a strong residency training program. A new 28-bed acute stroke unit has been announced and tendered, to be opened in late 2021, and urgent recruitment of neurologists will be required.

Candidates must have senior specialty qualifications in Neurology in the country of current practice and must be eligible for registration with the College of Physicians and Surgeons of Manitoba. Certification in Neurology by the Royal College of Physicians and Surgeons of Canada is preferred. Preference given to those demonstrating strong neurological research or academic interests.

The University of Manitoba is a major research university located in the city of Winnipeg. Winnipeg is the largest city in the Province of Manitoba and one of the most culturally diverse cities anywhere. More than 100 languages are represented, and Winnipeg is well known for its cultural achievements and flourishing arts scene. The city is home to the Royal Winnipeg Ballet, symphony, opera, theatre, and ethnic festivals. Besides supporting professional hockey, football, and baseball teams, the region provides ample opportunities for outdoor recreation in all seasons. The Winnipeg housing market is one of the most favourable in Canada.

The University of Manitoba is strongly committed to equity and diversity within its community and especially welcomes applications from women, racialized persons, Indigenous Peoples, persons with disabilities, persons of all sexual orientations and genders, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

If you require accommodation supports during the recruitment process, please contact [UM.Accommodation@umanitoba.ca](mailto:UM.Accommodation@umanitoba.ca) or 204-474-7195. Please note this contact information is for accommodation reasons only.

Application materials, including letters of reference, will be handled in accordance with the protection of privacy provision of "*The Freedom of Information and Protection of Privacy*" (*Manitoba*). Please note that curriculum vitae may be provided to participating members of the search process.

Interested applicants should submit curriculum vitae, a list of publications, and the names of three references to:
