

2019 Canadian Examinations Electromyography (EMG)

To assure and maintain a high standard of competence in clinical electroencephalography and electromyography across Canada, the Canadian Society of Clinical Neurophysiologists (CSCN) conducts an annual examination in EEG and EMG and related subjects for those eligible physicians entering EEG or EMG practice who elect to take it. Successful candidates will be given a certificate by the CSCN and will automatically be eligible for Active membership in the Society. The Provincial Licensing Bodies and the Royal College of Physicians and Surgeons of Canada have been informed of this examination and of the objective of the CSCN to maintain high standards in the practice of Clinical Neurophysiology in Canada.

Date: June 1 & 2, 2019
Venue: Ottawa, Ontario
Deadline for Application: February 1, 2019
Application Fee/Examination Fee: \$1,300

ELIGIBILITY	Candidates must have an FRCPC or equivalent certificate from the USA (or be senior residents in the 4 th or 5 th year of an approved training program leading to certification) in: Physical Medicine & Rehabilitation or Neurology (adult or pediatric) Candidates from overseas may be excused the certification requirement above if they are currently eligible to practice as a specialist in Canada in PM&R or Neurology, or if they are current fellows in a neuromuscular fellowship program in Canada.
FORMAT	Written Exam, OSCE (stations) and waveform analysis.
